

PATENT
450100-04845

REMARKS

Claims 1-12 are allowed. Prosecution on the merits has been closed; and the Examiner requires an amendment to the title.

By this amendment, the title has been rewritten to be clearly indicative of the claimed invention.

Accordingly, it is believed the Examiner's objection has been addressed and satisfied; and this application is in condition for allowance.

An early Notice of Allowance is respectfully solicited.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
